Talented wing prospect that has a unique scoring ability. He's constantly in attack mode and is an aggressive scorer. His long range shot is getting better, but he does majority of his work from mid-range and in. He's also confident enough in his post game to take defenders to the block and show a jump hook. He's a heck of a prospect with an impressive motor. Very talented lefty with a versatile game. He can score in a variety of ways and is very good athlete. Ultimate competitor who is a great student.
